# Chairman's Message

*You either have read, or you probably will read, in this issue of T.C.M. an item concerning the meeting of the principals of four Tattersall's clubs. The four concerned were Trevor Henderson of Brisbane, Eric Smith of Newcastle, Wally Buxton of City Tattersall's and myself. It was indeed a great pleasure to me to be part of this group and to enjoy the company of such pleasant and distinguished club personalities.*

*Be that as it may the occasion brought home to me rather forcibly just how well known the name Tattersall's is today and what a tradition it has become in the social life of communities in the British Commonwealth, particularly Australia.*

*Many members probably know that Tattersall's was the proprietary name of a horse market*

*established by Richard Tattersall in London in the year 1770. Since then however it has widened in its implication until today it has become synonymous with all that is fine, honourable and "sporting" in almost any field of endeavour. In fact it now almost connotes a philosophy of life rather than anything more tangible; a philosophy which carries over from a more gracious and chivalrous era the principles of fair play and fair dealing into the affairs of our everyday life.*

*Isn't it only natural then that we can feel proud of being part of this very fine tradition known as "Tattersall's".*

## AUTOGRAPHS EXTRAORDINARY

No doubt most of us have had an autograph collection at some time in our lives and do doubt it went the way of most of its ilk. But a man who has made a real hobby of autographs and who has done a monumental, painstaking and sustained job of collecting them is Tattersall's member, Cleve Carney. Cleve's collection is truly amazing. Some of the categories under which he collects include Presidents, Rulers, Generals, Admirals, British and Australian Politicians, Musicians, Explorers, Ballerinas, Artists, Actors, Writers and Astronauts. It is not only the scope Cleve covers that is so impressive in his collection but the thoroughness and determination with which he goes after the names. In virtually every one of the categories mentioned he has every available name. For instance he has every British, American and Australian Army General since the first World War. Service leaders are Cleve's speciality and his collection here includes such names as Montgomery, Alexander, Wavell and Alan Brooke. On the Navy side too his collection is complete and includes Mountbatten, Cunningham, Frazer and Creasy. Cleve really goes about things the right way and gives a page in his specially prepared volumes to each personality. On it as well as the signature appears a picture and a brief history. Cleve started on his collection twenty three years ago when he was impressed by a friend's autograph book. He decided to start one of his own and unlike most of us has stuck to it ever since. He intends to give his collection of Service autographs to the Imperial War Museum in due course. Hearty congratulations on the most comprehensive and beautifully prepared autograph collection we've ever seen Cleve.

## STEP IN THE WRONG DIRECTION

We were rather surprised to see member Max Foulds limp rather ruefully into the Club the other day looking a little the worse for wear. Inquiries revealed that Max had suffered a most unfortunate and inconvenient accident. While attending his daughter's wedding and before proceedings got under way he took a step in the wrong direction and fell down a drain at the church. He had to be taken to hospital and regrettably missed both the wedding and the reception. To you down there in Orange Max we all send best wishes for a speedy recovery, and also hope that your daughter wasn't too mad at you for missing this important event.

## ON THE HOUSE

It was pretty difficult for a member to buy a drink on the first floor on the Tuesday after Metropolitan day. The reason of course was that drinks were "on the house" for most of the lunch hour. Reason for this again was that two of our well known members had had some good fortune over the weekend and wanted their Club friends to share in it with them. The members in question were Bill Simmons and Mr. Delasala. Bill won the classic Metropolitan with his Galerius and Mr. Delasala won the Derby with Summer Fiesta. Members offer you their hearty congratulations on your respective wins Gentlemen and hope that these champions will carry your colours to the front many times in the future as they did so spectacularly over the Spring Meeting.

## QUEENSLAND TURF IDENTIFY VISITS US

It was a real pleasure to see well known turf identity Mario McCarthy of Brisbane in the Club last month. Mario was paying Sydney one of his regular visits for he likes to come down each year for the Spring Meeting. Mario has been a member of Brisbane Tattersall's since 1932 and served on its committee from 1949 to 1953. He has been a book-maker since 1921 and that makes him the fielder with the longest registration in the Queensland Turf Club. Your host of friends take this opportunity of wishing you well Mario and will look forward to seeing you in Sydney about this time next year if not before.

## FULLY COVERED

Life insurance executive, Pat Martin, had his house burgled in a rather unusual fashion last month. The thieves broke in and completely ransacked the household. They left valuable jewellery, transistor radios and cameras but took all the money they could lay their hands on including the children's money boxes. Sorry to hear of your misfortune Pat but the one consolation is that an insurance conscious member like yourself would undoubtedly be fully covered for all eventualities.

Since the above was written we've had news of another of Pat's exploits. While travelling to Brisbane to play cricket with the N.S.W. Prudential team against their counterparts in Brisbane, he accidentally pulled the emergency cord and created some real panic. This took some explaining but as usual Pat's silver tongue retrieved the situation and all was forgiven.

## TATTERSALL'S DAY AT COONABARABRAN

There was plenty of Tattersall's support for the Coonabarabran Jockey Club Carnival in that town last month. Chairman Frank Carberry and Committeemen Barney Fay, Les Tidmarsh and Jack O'Neill attended the meeting with Secretary Lyal Binns. Lyal reported that he would hardly have known he was away, there were so many Tattersall's members present. These included T. R. Machattie, G. A. Christmas, W. P. Mulligan, C. D. Renshaw, John Rowley, Fred Allsop, M. F. Anderson, W. R. Lambell, Geoff Knight and F. P. J. Manus. Members went pretty near scooping the pool with the prizemoney for they brought in four winners and one second. The main race which carried a trophy donated by G. A. Christmas was won by well known country member T. R. Machattie with *Prolific*. The principal sprint race the trophy for which was donated by our member W. P. Mulligan, was taken out by two of our members: C. D. Renshaw and G. A. Christmas. Sydney trainer and member, Fred Allsop, was successful with *By Gosh* in another event and M. F. Anderson took out a fourth with his *Mild Brandy*. Unlucky owner of the meeting was John Rowley, whose wife owns and races well known Sydney performer *Travel On*. John's *Gay Villa* was unluckily beaten into second place. All in all a very successful meeting for Tattersall's. All those who attended said they were treated right royally by the local club and were grateful for the kind hospitality extended to them.

## OUT OF TROUBLE

A very encouraging report came in about our member Jim McCurley late last month. The news was that Jim was well on the mend after his recent illness. Jim's friends will know that he was recently rushed to Lewisham hospital with a severe ulcer rupture and was pretty sick for a while. It's nice to hear of your recovery Jim. We all wish you a quick convalescence and a very welcome return to the Club in the near future.

## LIVING IN THE U.S.A.

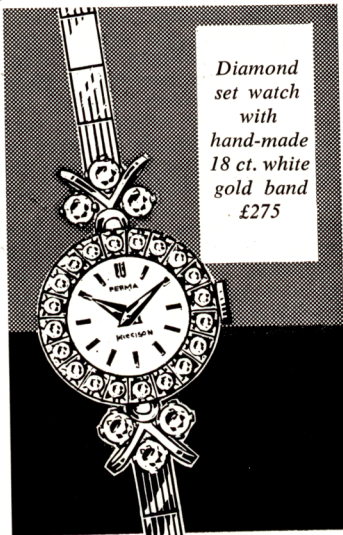

Last month we had news of our member Phillip Schultz who has been in the United States since 1959. Phillip has been furthering his education over there and wrote to say that he is presently studying for his doctorate in the Mathematics Department of the University of Washington. Your friends in Tattersall's Australia, and also the friends of your father, send you best wishes for the successful completion of your studies and a happy stay in the U.S.A. Phillip. We will be looking forward to seeing you in Australia at sometime in the future to renew old acquaintances when your work over there is completed.

### ABOUT THAT LONG

If you want a fish story you can usually get one from member Bruce Kennedy, sales director of Warner Brothers. And come to think of it you usually get one whether you want it or not. Bruce's latest ichthyological adventure occurred when he was doing some work on his boat which was moored at Church Point. Hopefully he had thrown a small set line over and before long noticed there was some activity on the end of it. He pulled it in and found what he assures us was the biggest John Dory he has ever seen on the end of it. Actually with his prawn bait he had caught a small Cockney Bream which in turn attracted the Dory. Bruce had no scales on board but estimates the Dory's weight at about five or six pounds. Only man not really impressed with Bruce's catch was Tattersall's Committeeman Alf Collins who had sat out all day with Bruce a few days before with hardly a bite between them.

### NEWS FROM PHILIP HYAMS

Member Philip Hyams "reported in" this month to tell all his friends that he is feeling a great deal better after his recent illness. We're all glad to hear of your recovery Philip and look forward to seeing you in the Club in the very near future. In the meantime best wishes for a speedy recovery and continued good health for the future.

### GOING STRONG

These days of hectic rush and bustle it is an achievement in itself even to reach the age of eighty-two; to be still active in business life at eighty-two and be taking responsibility that would tax a man half that age is really something to be proud of. And our member Jimmy Plimsoll can be just that. Jimmy was for years Secretary of David Jones and is now Secretary of two of this company's subsidiaries. He takes work in his stride and enjoys every minute of it. Jimmy has another claim to fame too for he is the father of a notable Australian High Commissioner to India, Sir James Plimsoll. Your Tattersall's friends, and they are many Jim, congratulate you on still being very much in harness and wish you a belated "Happy eighty second birthday" which fell last month. Keep up the good work Jim.

### ALEC BAZ ON TRIP

Completely disregarding the age old admonition to go West, Alec Baz, newly elected Tattersall's member and chief of Sydney television station, Channel 9, recently went in the opposite direction. Alec took a trip to the East with an itinerary that covered Japan and Hong Kong amongst other places. Alec went on business but whether this means that some of our television programmes are going to come over in Chinese in the future we don't know. Anyway Alec, your fellow members hope you had a pleasant and rewarding trip.

## WELCOME VISITOR

A very welcome visitor to Sydney during October was the good friend of many of Tattersall's members, Bert Sakzewski. Bert as members know is Chairman of the T.A.B. in Queensland and an ex-Chairman of our sister club in the North, Brisbane Tattersall's. While in Sydney he was entertained for lunch by our Chairman, Frank Carberry. Bert tells of a long-shot coincidence in connection with his Chairmanship. After he vacated this important office the Brisbane Club were so appreciative of his services that they named one of their races after him. It is known as the "Sakzewski Encourage" and has been going on for eleven years now. Although punting with only average luck most times, Bert has been on the winner of his Encourage every time since it started except once. And that time he couldn't get to the course. Tattersall's Sydney was delighted to have you as its guest Bert and members look forward to seeing you down in this city again in the not too far distant future.

\* \* \*

## THANKS

Chairman Frank Carberry received a very welcome letter from member Justin Fleming last month. Justin as members would know is President of the St. Vincent's Hospital Society. He says:

"On behalf of the St. Vincent's Hospital Society I write to thank you for

permission to hold the dinner at Tattersall's Club this year. Everybody who attended was most impressed with the evening and with the high standard of service which the Club provided. I can only tell you that all have said that this has been the best dinner they have attended of this nature."

That is high praise indeed and we are only too pleased to assist, even in this small way, an organisation which does so much good for so many.

\* \* \*

## DON'T MISS OUT

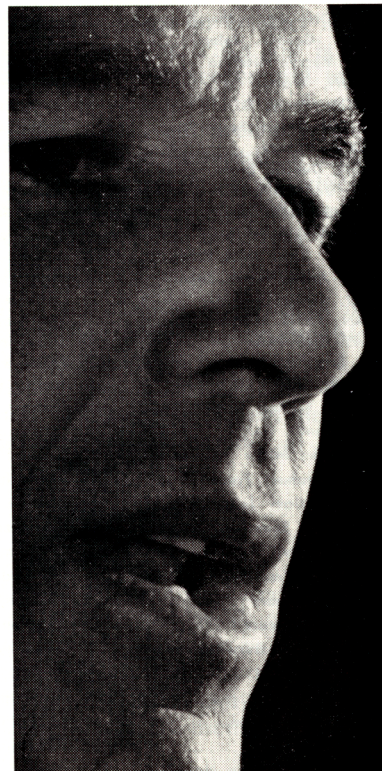

Last month we received a letter from member B. L. Moses and though the advice he has to offer has been given before, we think it bears repeating, perhaps even for the benefit of our newer members. We quote in part from Mr. Moses' letter:

"On a recent trip to the U.S.A. I availed myself of the Club's reciprocal arrangements with Clubs in the cities I visited. In each case I presented my letter and was immediately made a visiting member. My wife and I called on the Clubs for dinner and were treated with great courtesy and hospitality. I wonder if all members visiting the U.S.A. and other countries take advantage of this facility offered by our Club. If not I think they are missing out on something which is very fine and useful and a great help when travelling."

This is a timely reminder to any member going overseas. We are fortunate in having these arrangements with overseas clubs and members would find it very advantageous to use them.

# KNOW-YOUR-STAFF

This month we feature two important members of the Tattersall's team. They are Pat Ranson and Reg Sowdon.

Pat is another of our "behind the scenes" workers with whom members do not come in contact as much as they do other staff personalities. Pat's job is a very important one for she is our Housekeeper and much of the smooth operation of our organization is due to her efficiency and hard work. It does not need much stretch of imagination to appreciate the hundreds of tasks involved in this job or the myriad of detail which surrounds it. That Pat takes all this in her stride and turns in such a meritorious performance is a real credit to her ability and drive.

Regular visitors to the athletic department on the third floor will all know Reg Sowdon, our capable and genial masseur. Reg's capable hands have soothed many an aching muscle and many a ricked back for our members during recent years. He is a real personality on the third floor and is a valued member of the Club staff.

## REG SOWDON

Reg began his career with the well known sporting centre, Langridges, and was trained by T. A. Langridge. During the time he was with them he was masseur to the first English Rugby League side to tour Australia after the war. His work with this team gave him the respect and admiration of all its members. Reg was also appointed masseur to the Australian soccer teams during their tests with South Africa and once again the calibre of his work earned him high praise from all team members. Reg later went to England and during his stay there was masseur to Gloucestershire County Cricket Club. This was in 1948. During the next two years in England Reg did a post graduate course at the S.M.A.E. Institute in London. It was not until 1956 that Reg joined Tattersall's and since then has been Masseur in charge of our athletic department.

## PAT RANSON

Coincidentally Pat started out her career in the housekeeping field with one of our members. She worked with Mr. and Mrs. Jack Williamson when they had the Criterion Hotel in the city. Pat's early duties with Tattersall's when she joined us in 1955 were concerned with food service. In this capacity she worked in the dining room on the fourth floor and was also responsible for special luncheons in the Club board room. Pat's extensive experience in the hotel field and her knowledge of our own organisation's routine and requirements made her a natural selection for the position of housekeeper when it became vacant recently. Pat was appointed and the smooth running of her section since then is adequate testimony to the wisdom of this choice. As Housekeeper she is responsible for the control of all the Club's bedrooms and is also in charge of all linen and laundry services.

## "Johnnie" Norton

It came as a tremendous shock to the Committee and members of Tattersall's Club to learn late last month of the very sudden and completely unexpected death of Committeeman Johnnie Norton. Johnnie was on his way home from a business trip connected with the banking field of which he was a well-known and prominent member.

The manner of his death was without warning. While enjoying the stopover of the ship on which he was travelling in Tahiti he collapsed in the street and was dead before he could be taken back on board.

Johnnie's passing will be a great loss to the members of Tattersall's; not only to those who knew him personally but to us all for he was a hard and efficient Committee worker who brought to this task a wide experience in commerce and a humanity born of a genuine affection and respect for his fellow-man.

As could well be expected, Johnnie's fellow Committeemen were particularly affected by his passing, for it was they who worked closely with him on our Club's affairs, as it was they who came closest to his friendly, jovial and understanding personality. It was they, too, who best appreciated his worth to our organization and knew of the sincerity with which he approached his responsibilities.

Perhaps the feelings of his fellow Committeemen is best expressed in the comment of our Chairman, Frank Carberry. Frank says:

"It was a deep shock to us all to learn of Johnnie's death. With it we have lost both a very good and well loved friend and a sound, sincere and enthusiastic Club executive. His jovial presence will be sadly missed at our board meetings and his memory will live long amongst us."

Johnnie was only a comparatively young man when he died—in his early sixties—and was at the height of a brilliant career in banking, the profession which occupied all of his working life. He was a Commissioner of the Rural Bank and had worked his way to this position during thirty years with the organization. During this time he held most of the senior positions in the bank and was a fully qualified accountant and secretary.

In obtaining his qualifications in the two latter fields he came first in the Commonwealth in both his intermediate and final examinations.

While Johnnie is gone from us in person he will remain with many in spirit for those who knew him and came in contact with the kindly qualities which made up his likeable personality will all be a little better for having done so.

### WORKING WITH THE U.N.

Many readers of T.C.M. will recall that member John Douglass went overseas some short time ago. Last month, Bob Concannon had a letter from him and passed on some interesting items from it. The news is that John is now working for the Food and Agriculture Division of the United Nations in Rome. His work there has taken him to some interesting places and has brought him into contact with some interesting world personalities. He has, in fact, had dealings with Haile Selassie and Nasser. John says he will be going to India and Afghanistan shortly, and feels that he can look forward to some enlightening experiences in these countries. John very much misses our swimming pool and sends his kind regards to all his Club friends, particularly Dan Calman, Lyal Binns, Eric Baume, and Reg, on the third floor. In return, we all send best wishes for an interesting and rewarding stay with the United Nations, John.

### NEW SON

Well-known legal personality, Bob Howell, and Mrs. Howell had a very good reason for celebration early last month when Mrs. Howell gave birth to a son. Richard is the chosen name for the new arrival and, from all accounts, he is a real bonny, bouncing boy. Your Club friends congratulate you on the addition to your family, Bob and Mrs. Howell, and welcome into the world a new prospective Tattersall's member.

### BIG FOUR

With "Big Four Summit Meetings" all the vogue these days, Tattersall's Clubs recently had theirs. It occurred coincidentally, however, and was a social, not a political meeting. This rather unique get-together took place at the City Bowling Club where four Tattersall's Clubs—our own, Brisbane, Newcastle and City—were holding the "Round Robin" competition reported in this month's bowling notes. During the course of the contest the four clubs' principals were seen enjoying a drink at the bar. They were our own Chairman, Frank Carberry, Brisbane Tattersall's President, Trevor Henderson, Newcastle Tattersall's President, Eric Smith, and City Tattersall's President, Wally Buxton. Also present at the luncheon on the day bowling section Presidents: Alick Buckle, from our own Club, Stan Hoffman from Brisbane Tattersall's, Bob Johnson from Tattersall's, Newcastle, and Tim O'Connell from City Tattersall's.

## ARCH McCAULEY RECOVERING

Committeeman Jack O'Neill brought back good news of our member, Arch McCauley, when he went to visit him in hospital last month. Jack reports that Arch is recovering nicely from a recent operation which he underwent in St. Vincent's Hospital, and looks well and almost his usual old self again. Arch sends regards to all his Tattersall's friends. We all send you best wishes in return, Arch, and will be looking forward to seeing you back in the Club again in the very near future.

## GOLF TROPHY

The doings of the Coogee-Dover Club, one of the oldest social sporting clubs in the State, is well known to regular readers of T.C.M., as also is Les Tidmarsh's association with it. Well, Les did a "Gary Player" on the boys the other day in a match played at The Lakes and chalked up a very nice win with some impressive golf. Trophy for the event was a "Noritake" dinner service, which Les now assures us will have pride of place in the Tidmarsh china cabinet. Nice work, Les, and hearty congratulations from all your friends at Tattersall's.

# TATTERSALL'S CLUB HANDBALLERS ENTERTAIN COOGEE HANDBALL CLUB

It was our pleasure to entertain our handball friends from the Coogee Club. The teams selected were:—

TATTERSALL'S		COOGEE
John Dexter	v.	Dinny Groom
Jim Comans	v.	Bill Harrison
Fred Harvie	v.	Geoff Clifton-Smith
Ken Glass	v.	Ron Tapp
Bob Lipman	v.	Frank Frankowski

The games produced some very fine handball with Tatt.'s having the edge, winning 3 matches to 2.

Our "Hero" was Bob Lipman. When his game against Frank Frankowski commenced the matches were even, each Club having won two. To commence my description let me tell you this: Frank is such a fine handballer that you could compare him with "Tulloch" as a race-horse. He would probably only lose two or three games in a year, and then only to a player of the calibre of our own champion, Bruce Galea. The final scores in this match were:

Lipman ..... 31      Frankowski ..... 18

Bob was certainly our Hero with a capital "H." This match produced the "Champagne" of Handball. The scores do not mean a thing. Both players reached such heights in play and sportsmanship that the handballers of both clubs are still reminiscing. They both went at it "Hammer and Tongs," even falling on the floor to retrieve seemingly impossible shots and then scrambling to their feet to hit clean winners. It was a great, exciting game of handball, and congratulations to Bob and Frank for such a fine sporting exhibition.

Whilst the deciding match stole the show the other games also produced highly exciting handball. The first match between Johnnie Dexter and Dinny Groom resulted in a win for Coogee. Dinny is well known to our Club as a very hard hitter, and that is why we put John in against him. John is no soft hitter himself. It was a very excellent match indeed, with nothing between them at the finish.

Jim Comans played Bill Harrison, and here again Coogee was successful. This was a match of tactics and the scores fluctuated all through the match. Bill is an old campaigner, and it was Jim's first match in the "Big Time". He certainly acquitted himself in great style and it is certain that with a few more matches of this type he will improve out of all knowledge and be a worthy opponent for any other player.

Fred Harvie was our Number 2 "Hero". He played Dr. Geoff Clifton-Smith. Geoff, by the way, is a member of Tatt.'s Club, and is also president of the Coogee Handball Club, and he represented Coogee on this occasion. This was a brilliant match and sparkled with many scintillating rallies. Both men were fit and gave everything possible. Another feature of this match was the manner in which the players enjoyed themselves. It

was a joy to watch and congratulations to both of them for a fine exhibition. Ken Glass played Ron Tapp, of Coogee, and kept Tatt.'s in the picture with a very fine win. Ken relies on the "Big Power Game" and he certainly had it working well this night. Ron put up a very good show to keep the scores very close. However, Ken was not to be denied and, keeping the pressure on, ran out the winner of a very fine match indeed. Here again, the sportsmanship was a very big feature.

## AFTER THE GAMES

When the matches were ended we were very pleased to entertain our visitors to "something to drink and a bite to eat," and this also was a very successful gathering. In addition to the competitors we were pleased to have with us the following people:—

### From Coogee:

Dr. Geoff Clifton-Smith (President of Coogee).

Eddie Davis (Capt. of Coogee).

(Eddie is also a member of Tattersall's Club.)

Stewart Cahill.  
Billy Marchant.  
Wally Gray.

### From Tattersall's:

Bob Adams.  
Bill Sellen (Junior).  
Joe Aboud.  
Frank Roberts.  
Sam Herford.  
Syd. Kay.

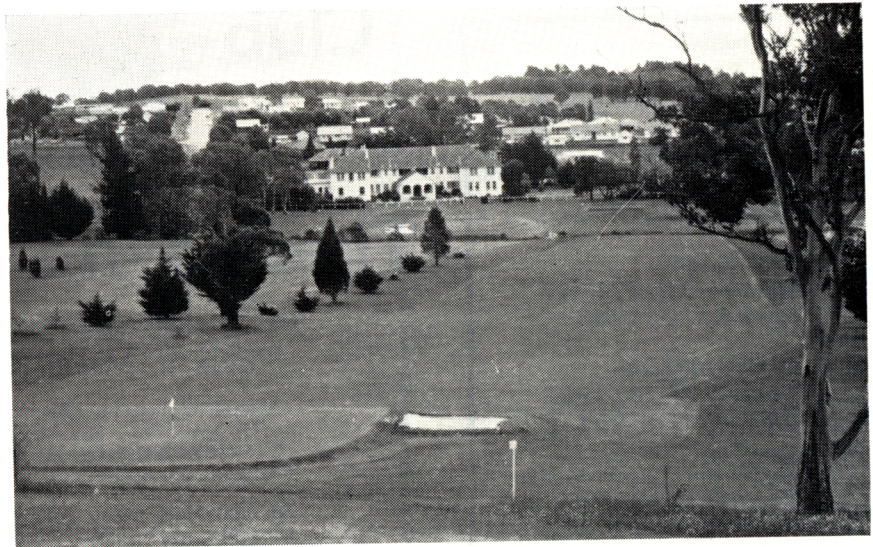

Norman Rogers welcomed the visitors and was supported by "Commodore" Fred Harvie. Both were in rare form, especially "The Commodore". His speech was a "beaut".

For the visitors we had Stewart Cahill say a few words and supported by Eddie Davis.

As I heard someone remark, "A very Big Night."

See you later.

# CAMERA CLUB'S TWO FILMS

The Camera Club, now a well established identity within Tattersall's, featured two interesting films at a special showing last month. Both were filmed by Camera Club member, Lincoln Hamilton.

The first of the films was called "Walkabout 1963" and covered graphically a tour of Northern Territory and Central and Western Australia. The tour was arranged by the Graziers of N.S.W., and Lincoln went along complete with movie camera. With it he caught the fascinating atmosphere of such places as Charleville, Katherine, Darwin, Wyndham and Derby.

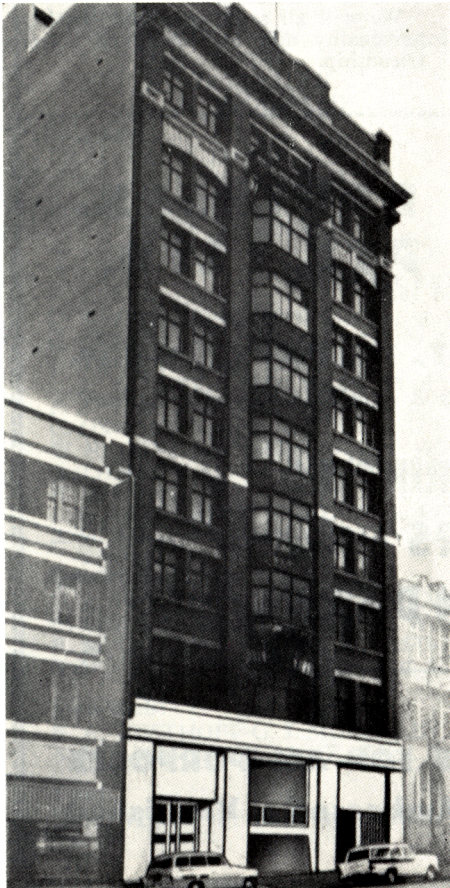

The other film was a short which featured Alice Springs.

Both were in 16 mm. full colour and were rated as first-class productions by all members of the club. This was not surprising as Lincoln has had plenty of experience at movie-making. He has, in fact, been at it since 1938 as a hobby and since then has taken thousands of feet of film. He is a member of the Amateur Cine Society and his knowledge and experience is proving a great help to Camera Club members interested in movie work.

Another activity of the Camera Club since it was last reported in these columns, was the establishment of a Club policy. To give readers an idea of the aims and objects of the Club, the following is the policy they have adopted.

## AIMS AND OBJECTS OF THE CLUB

1. To bring together on a regular basis and in an atmosphere of friendliness and helpfulness all those members of Tattersall's Club who are interested in any branch of photography.
2. To promote the exchange of artistic and technical photographic information for the benefit of all members of the Tattersall's Camera Club.
3. To hold regular showings and/or exhibitions of still and movie photographic work carried out by both members of Tattersall's Camera Club and outside sources, whose work for some reason or another may be either interesting or instructive.
4. To promote photographic field days during which members will have the opportunity of carrying out outdoor photography of all kinds.
5. To promote photographic competitions of various kinds amongst members and make awards appropriate at the time.
6. To maintain liaison with the Editor of Tattersall's Magazine for the purpose of:
  - (a) Giving him regular copy concerning the activities of the Camera Club so that it can be published for the general betterment of the section.
  - (b) Having him publish various photographs taken by members which for some reason merit publication.
7. To appoint from the Camera Club from time to time a Publicity Officer who will carry out the liaison set out in item 6 and also carry out any other duties of a publicity nature which may occur from time to time.
8. To arrange lectures, talks and criticisms from photographic experts, either from within the Camera Club or outside it, for the benefit of members.
9. To organise social gatherings and outings for members of the Camera Club and their families from time to time.
10. To foster liaison with Camera Clubs of a similar nature.
11. Use the photographic facilities of the Camera Club to assist Tattersall's Club proper in various ways such as taking photographs of general club functions from time to time.
12. To appoint a committee of five, or a greater number if it seem desirable, plus a chairman, by democratic poll, to control the affairs of the Camera Club with the assistance of various Sub-Committees.

# Biggest Bowling Month

September proved to be one of the most spectacular bowling months in the history of our section. The second of the "Round Robin" tournaments between four Tattersall's clubs—our own, Brisbane, Newcastle and City—was held at the City Bowling Club and proved such an outstanding success that this event not only looks as though it will be a regular annual fixture but will also be the "glamour" day on our calendar. We also recorded a convincing defeat of City Tattersall's at Pennant Hills during the month and those players who made this victory possible well deserve our congratulations and our highest praise for their skill.

We were the hosts on the 18th of September when Brisbane, Newcastle and City Tattersall's clubs joined us in a "Round Robin" tournament which turned out to be a tremendous success. City Tattersall's ran out the winners with two wins and one loss plus eighteen shots to their credit. We came in second with one win, one draw, one loss and minus five shots. Third were Brisbane with one win, one draw, one loss and minus nine shots, while one win, two losses and minus four shots put Newcastle into fourth place.

Most meritorious win of the Round Robin tournament was that of Alick Gibson, Bill Sinclair, Len Burke and Cedric Emanuel over T. T. McGuire, Vic Hayes, Wilf Trulove and Ellis Crew of City Tattersall's. To topple such a formidable combination as this was a performance of which to be proud and our players deserve the heartiest congratulations we can give them.

All in all it was a great day and having the opportunity to mix together with our friends in other clubs made the occasion very much worthwhile. Regardless of win or loss good bowls were played all round and the standard was all that could be desired.

Suitable trophies were presented to the winners and a splendid luncheon was enjoyed by all.

Our very sincere thanks go to the City Club for their hospitality and the wonderful way they treated us all.

Perhaps the highlight of the event occurred when the Presidents of the four Clubs concerned joined us for the luncheon. These were of course: Wally Buxton of City Tattersall's, Eric Smith of Newcastle Tattersall's, T. Henderson of Brisbane Tattersall's and our own Frank Carberry. We were greatly honoured by the presence of such distinguished guests and these sentiments were sincerely expressed by Harold Hill when he welcomed them to the gathering. In this vein we like to think that it was the game of bowls which brought these four principals together.

Pennant Hills turned out to be a lucky club for us when it provided the venue for our victory over City Tattersall's in our biannual match with them.

Forty players turned out for the day and we witnessed a real test of strength as both sides had their "big guns" in action. We came home with 233 shots to City Tattersall's 206 thus avenging our previous defeat at the hands of these friendly rivals.

Trophy winners for Tattersall's were J. McKell, J. Shaffran, R. Spencer and J. O'Neill, and they well deserved their presentations as well as their victories.

Pennant Hills was another memorable day during September for which we can

thank our hosts, City Tattersall's, who treated us right royally and provided the kind of hospitality for which they are well known.

We're pleased to report that our Pairs Handicap event is now down to the finals and a great finish is expected. In the semis Len Burke and Ray Tobias defeated Ray Davis and Ron Relton and Charlie Cohen and Ron Darch similarly accounted for Peter McGrath and Cec Davis.

Forty-four players turned out for Double Bay on the 3rd of last month and once again a very enjoyable day of bowling was the result. Trophy winners were a team skippered by one of our visitors, S. Gillham, and the four well deserved their success. Other visitors on the day were B. Coltman from New Zealand and J. Thompson from the country town of Cassilis.

Time is slipping by and as members know our Annual Dinner Dance is to be held on the 10th December. Already bookings are coming in at a fast rate and the list is quickly filling. Only one hundred and fifty can be catered for so our advice is to book in early to avoid disappointment. All bookings can be made with the honorary secretary of the section, J. McKell, and he is ready and waiting to list your name.

It was with real sadness that members of the bowling section learned last month of the death of our very good friend Les Fingleton. His death was very sudden and this made the news of it a great shock to his many bowling friends.

Les was a committeeman of the bowling section and had been so for many years. He seldom missed a meeting with us and his loyalty was of the high-thoughtful views he held on bowling were always a great help. A President of the Waverley Bowling Club and also a number one pennant skipper for that club his knowledge of both the administrative side of bowls and the game itself were always in great demand because of their soundness and reliability.

Les was always a great sportsman and as most members know was a top grade cricketer with Waverley. He was also a Mayor and an Alderman of that district and so gave a great deal to the civic affairs of the community in which he lived. Over latter years bowls was his great interest and just prior to his death he was a state representative and the Chairman of the Entertainment Committee of the Royal New South Wales Bowling Association.

We will all sadly miss Les, his kind personality and his loyal and sincere friendship.

## Mousally, McDonald, Westhoff Feature in Titles

The curtain was rung down on all tournaments with hearty congratulations going to genial George Mousally for his popular win in the Snooker Championship, to our consistent Ken McDonald for his runaway win in the Billiards Championship, and to George Mousally again, with his partner, Eric Westhoff, in a very fine win in the Pairs Title.

# Great start for swim season

A record fifty-one starters in the first race of the new season and sparkling improvement in the off-season by John Douglas were the big stories of the commencement of the 1963/1964 swimming season in the Pool.

Every indication is that this season will be the best the Club has had and the influx of new, enthusiastic members promises a lot of fun on the third floor.

Thirteen heats were necessary in the opening race and this gives the officials a real headache in fitting the racing into the usual fifteen or twenty minutes. So much so that it may be necessary to start the races a little earlier.

It is always good to see a trier improve and so we dip our lid to John Douglas who, last season, started from a 36-seconds mark, but he had sparked up his start, turn and style during the winter to such an extent that he swam 32.1 in winning his heat and then improved further to 31.8 in taking a final. Then, just to show that he is still improving, he won a heat in the second race in 31.1. Won't be long before you crack 30, John.

Phil. Winn, a first-season member, surprised everybody in his first two races. He won a heat and was second in his final first up, and then, in his second event, he won both heat and final and cut a couple of seconds off his time. Even Poppa Frank Winn got a shock, and before the season started he reckoned Phil could only give him a second or so start, but the latter's 20.7 suggests that he could give Pop far more than that.

The Club welcomes new members Des. Kearney, Kevin Johnson, P. Schachtel, Tony Hill, Phil Winn, R. Hackett, and Kevin Brown, and hopes to see them often and that they will thoroughly enjoy all the fun of the Pool.

All members are cordially invited to join up. Time trials may be arranged with the officials and handicapper, Clive Hoole, will see to it that everyone is allotted a handicap that will give him a chance of victory.

Leader in the first monthly Point Score is Stan Heaton, with a win and a second for 15 points, followed by Phil Winn 14½, and John Douglas 14.

All three have been reduced in handicap, Heaton by one, Winn by two, and Douglas by four. In addition, Gordon Boulton, Kevin Johnson and Alan Hickey have all lost a second.

Paul Blake has started the season splendidly with swims of 19.1 and 19.6, Bill Kendall has swum 19.2, Norm Rogers 20.5 and Bob Harris, Mervyn Finlay and Les Foley 21.7.

The Club's annual Cocktail Party and Presentation of Trophies in the Club

Room on Friday, 11th October, was the usual success. Best evidence of its popularity was the fact that the finishing time was extended by about an hour and a half.

Old and new members and their ladies thoroughly enjoyed themselves and cheered or otherwise greeted the recipients of the trophies in the time-honoured Swimming Club manner.

Tattersall's Club Chairman, Frank Carberry, made the presentations, and was accompanied by Mrs. Carberry. Also honouring the gathering were Club Treasurer Alick Buckle and Mrs. Buckle, Committee men Geoff Eastment and Mrs. Eastment, Barney Fay, Arthur McCamley and Honorary Secretary of the Handball Club, Norm Rogers and Mrs. Rogers, and trophy donor Clive Hoole and Mrs. Hoole.

In the course of his well-chosen remarks, the Chairman recalled the years when the Swimming Club held what he chose to call the Ball of the Year in the Club Room, thought it was time this function was held again, and asked for a show of hands of those who would like to have it conducted again. Approval was overwhelming.

Trophies were presented as follows:

**"Native Son" Trophy for most points scored during 1962/63, donated by W. W. Kirwan:**

First: J. O. Dexter.

Second: L. Foley.

**Club Championship, donated by A. G. Collins:**

First: J. Devitt.

Second: D. Emanuel.

Third: P. Blake.

**Monthly Point Score, donated by A. R. McCamley and C. C. Hoole:** N. Rogers, L. Foley, J. O. Dexter, J. V. Comans, C. C. P. Godhard, T. Forrest, R. Corrick, B. Cameron, P. Blake.

In addition to the above there were the usual surprise packet trophies, dubbed "T.M.S.," as consolation prizes for members who had just missed out on other trophies. These went to C. Coppa, J. Shaffran, D. Dind.

To winners who were unable to attend the cocktail Party, trophies were presented later in the Pool to G. Williams, C. Bowes and J. C. Brice, "T.M.S." trophies, and to Ken Humphery, third in the "Native Son."

Don't forget, the new season has started and races are held each Tuesday at 1.15 p.m. (heats) and each Thursday at 1.15 p.m. (finals). Be in it!
